Athens Cornfest update

To our valued Supporters and Participants of Athens Cornfest.

Due to the COVID-19 pandemic the Ontario Government has ordered the Mandatory Closure of All Non-Essential Workplaces and the governments' continued requirements for social and physical distancing we are forced to cancel the 2020 Athens Cornfest festival, our 40th Anniversary Celebration.

We regret cancelling our event but as we are committed to the health and safety of all concerned, including our vendors, participants, the attending public, supporters and our committee members, this safety measure is necessary.

We look forward to making plans for next year and will again make contact with our sponsors, vendors and participants to keep you posted on our 2021 festival at which time we hope to celebrate our postponed 40th anniversary.

In the meantime, arrangements are being made to contact the vendors that have registered and paid for their booth. Refunds will be made once contact information has been established. Thank you for your support.
